## Directions from Governor's Harbour Airport (GHB) to Pineapple Fields

### By taxicab:

There are always plenty of cabs outside the GHB airport arrival area. The fare to Pineapple Fields is \$35.

### By car:

There is one main road, the Queens Highway, that runs north-south from one end of Eleuthera to the other. As you are coming out of the Governor's Harbour airport parking lot, make a right (SOUTH) onto the Queen's Highway and keep on that road until you reach the main settlement of Governors Harbour. (approximately 10 miles).

At the intersection in town (Pyfroms Liquor/ Yellow & Blue Building w/Painted Kalik Bottle) make a left and proceed up the hill on Haynes Ave. Please note that there is a street going up and down the hill. CAUTION: both are one-way streets. Be sure to take the far right street up the hill.

At the top of the hill make a right and proceed approximately two miles. The office is in a yellow and white building on the right side of the road with a Pineapple Fields and Banks Road Deli sign in front.

The entire ride from the airport should take you approximately 15 minutes.
